X1 16. [REDACTED] LIAISON Diane LaVoy, House Permanent Select Committee on Intelligence staff, called with regard to three requests relating to Iran. The first of these requests is that Ms. LaVoy wishes to interview the reports officer or some other appropriate individual from within the DDO who can talk knowledgeably about DDO reporting on Iran for the past year. I have passed this request on to Don Gregg, PCS/LOC. The second of Ms. LaVoy's requests related to her desire to talk to the NIO who covers the Iran area as well as some of the analysts who could contribute to her understanding of the information flow on Iran. I have passed this request on to [REDACTED] C/NFAC/CSS. The third request related to a New York Times article of 19 November by Richard Burt. There is an allegation in this article that the DCI admitted that there had been an intelligence failure in Iran. Ms. LaVoy asked us to provide her with a copy of the Director's statement that was used in this article. I have contacted the Office of Public Affairs and they have provided me with a copy which I have forwarded to Diane LaVoy.
